Southwest Texas Junior College (SWTJC) is a public, tri-county state supported junior college. Real, Uvalde and Zavala counties compose the taxing district of the college; however, the institution serves an 11 county border region which also includes Dimmit, Edwards, Frio, Kinney, La Salle, Maverick, Medina and Val Verde counties. SWTJC is the area's only fully developed institution of post-secondary education.

LOCATION

The main campus of the college is located in Uvalde, Texas, a city of 15,000 residents located 82 miles west of San Antonio and 70 miles east of the Mexican border. Uvalde is at the crossroads of U.S. Highway 90 (east-west) and U.S. Highway 83 (north-south). The city and college are also only a 30 minute drive from the Texas Hill Country, Garner State Park and the beautiful Nueces, Frio and Sabinal river canyons. SWTJC also operates out-of-district facilities in Del Rio and Eagle Pass, two border cities which serve as major points of entry to Mexico. The college maintains and staffs an additional instructional facility in Crystal City, and it provides classroom space in the Pearsall ISD.

Janey Slaughter Briscoe Grand Opera House is the oldest functioning theater in the state of Texas.
