<sup>2</sup> Selected from courses transferrable to ASU's additional math course requirement: MATH 1316, 2312, 2313, 2314. Many graduate programs and health professions schools require one semester of calculus and one semester of math statistics or biometry.

<sup>3</sup> Selected from sophomore English courses ENGL 2322/23, ENGL 2327/28, ENGL 2332/33.

Our faculty and staff are pleased that you have indicated interest in this ASU degree program. To help you achieve your higher education aspirations an ASU advisor will provide you with additional information and any help you may need. As Assistant Director of Admissions, I want to welcome you and assure you that the SWTJC college level courses noted above will all transfer toward the major you have indicated. You must, of course, meet ASU's admission and GPA requirements. We look forward to your graduation.
